Middle School Athletic Director-Ray Paddock [rpaddock@santafesouth.org](mailto:rpaddock@santafesouth.org)

## Welcome

SFS Saints,

A huge congratulations goes out to Coach Salgado and the Lady Saints Volleyball team on earning the Distinguished Academic Achievement Award. The award is given to programs with a 3.5 GPA or higher. Great Job, Lady Saints!!!

This weekend our high school basketball team will be in action at the Harding Festival. Due to unforeseen circumstances, Santa Fe South will be hosting the Harding Festival this year. The Saints will play Harding Prep on Friday (7:15pm/8:45pm) and OKC Knights on Saturday (2:15pm/3:45pm).

Our Cross Country All-Staters, Daisy Enriquez and Natali Ruiz, will travel to Broken Arrow on Saturday to compete in the Oklahoma/Arkansas Meet of Champions. They will run at 11:30am.

As a result of the ongoing pandemic, attendance will be limited to 100 patrons (~25% capacity) for all home basketball and wrestling contest this school year. Participating athletes will be allocated (two) 2 tickets for their family members. All home competitions will be streamed live through our YouTube channel, Santa Fe South Athletics. Sorry for the inconvenience.

You have one week left to get your Saints Winter Gear from the Fan Store. The store will remain open until November 20th with delivery before Winter Break. Store includes sweats, hats, gloves, vest and more. All proceeds help the Athletic Department.

#### **Santa Fe South Vision:**

Santa Fe South Schools will equip students to reach their individual potential in order to be academically and socially prepared to thrive in a global society.

#### **Santa Fe South Athletic Department Purpose:**

The purpose of the school Athletic Department is to function as an integral part in the overall development of students in order to achieve the vision of Santa Fe South Schools.

#### **Athletic Department Objectives:**

Provide the very best for our student-athletes, and through the cooperation of other departments, challenge them in athletics and academics. To improve the image of the school district, the individual school, and the athletic department.

To strive always for excellence that will produce winning teams and individuals. To serve as a laboratory where students develop the skills to be prepared to deal with and find success in life situations
