Dear Parents and Guardians:

The Every Student Succeeds Act - ESSA, Section 1112(e)(1)(B)(ii) requires all Title I schools to notify parents or guardians when the child is taught by a teacher who has not met state certification and licensing requirements for the grade level and subject areas in which the teacher has been assigned. However, our teachers do have a college degrees and are required to attend district training to continue to work on becoming master teachers.

The purpose of this letter is to notify you that the following teachers do not currently hold an Oklahoma Teaching Certificate for the grade level and subject areas being taught at Santa Fe South Pathways Middle College. Nevertheless, given their extensive training and professional experience, we believe that your child is receiving a high quality education.

Jose Alvarado - Mathematics
Noah Figueroa - Social Sciences
Christine Hungtington- Mathematics
Mandy Ozment Social Sciences
Spencer Price - English
Richard Rios - Electives
Sean Tourtelotte - English
Ive Chemutai - Mathematics

If you have any concerns regarding this information, you have the right as a parent/guardian to review the qualifications of your child's teacher(s). Please contact me at 405-682-7840 if you have any questions.

Sincerely,

Christopher D. McAdoo
Principal of Pathways Middle College
